STATE OF MISSOURI  
JEFFERSON CITY

**GOVERNOR**

Greetings . . . and welcome to Missouri, the Show-Me State, and the 24th state admitted to the Union. Missouri is a beautiful state with a great future, and you can let this map be your guide on travels into both realms.

Our state can point with pride to many significant accomplishments and achievements, and we will help guide you over the more than 32,000 miles of state maintained highways which lead to the sites where these accomplishments have taken place. Missouri truly has something for everyone, and whether you are just passing through or are planning to spend some time with us, there is something here which will appeal to you.

Missouri's highways are carefully designed for the traveler. We urge you to drive carefully and safely and to enjoy your journey on our Show-Me State's highways.

Sincerely,  
*Art Bond*  
Governor
